The following is an examiner's statement of reasons for allowance: The examiner has adopted the positions set forth by applicant in the REMARKS filed on January 16, 2007 that the Rogers, Lievens, Igelmund and Galant references do not teach the claimed laptop lock assembly having a lock body configured to be coupled to a laptop, and the cable plug and the locking portion of the lock body cooperating with one another to form an enclosed area for constraining an object.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
